

OUR IN-NETWORK INSURANCE PARTNERS:

At The River Source, we understand that while some people choose private pay or financing options for treatment, most individuals use their health insurance to help cover the cost of treatment. That's why we proudly contract with over 50 different health insurance providers and continue our commitment to expanding our network, ensuring that our clients have access to the high quality and affordable addiction treatment services they deserve.

Please Note: If you do not see your insurance listed below, this does not mean that you don't have coverage. We will work directly with your provider to maximize your out-of-network benefits.
